Revised Notice about Hospital Visits: September 2017

It continues to be the policy at BGH that clergy, faith leaders and pastoral visitors can only access patient information (i.e. knowledge that someone is in hospital) if express permission is given by the patient or spokesperson directly. Simply put this means **if you are hospitalized, and are requiring of a pastoral care visit, you (or a family member) must contact the church office yourself.** Similarly, no personal information (i.e. hospitalization etc) should be shared without the expressed consent of the patient themselves (or their spokesperson). Should you for example wish to seek prayer for someone or add them to a prayer list or card, **please ensure you have their permission before divulging their personal information in any fashion.** If you do not have their permission OR gaining their permission is unlikely, please (as in Matthew 6:6) pray to your Father "in secret".

Hurricane Relief in the Caribbean

When natural disasters occur, it is hard to know the most effective way to help. We have researched agencies and feel that partnering with World Vision Canada to provide direct relief to victims of Irma the Caribbean is the right way to go. If you feel lead to support this cause, please use the special envelopes found in today's bulletin.

You are invited to share your thankfulness with PRC-Brant.

QBC is invited to donate grocery cards in any amount to the PRC. You can use the "Donate" button on the church website to designate how much OR purchase the cards yourself and place them in your offering envelope.

Subscriptions to LIVE Magazine are now due. \$20 for 6 issues for the year.
