Revised Notice about Hospital Visits: September 2017

It continues to be the policy at BGH that clergy, faith leaders and pastoral visitors can only access patient information (i.e. knowledge that someone is in hospital) if express permission is given by the patient or spokesperson directly. Simply put this means **if you are hospitalized, and are requiring of a pastoral care visit, you (or a family member) must contact the church office yourself.** Similarly, no personal information (i.e. hospitalization etc) should be shared without the expressed consent of the patient themselves (or their spokesperson). Should you for example wish to seek prayer for someone or add them to a prayer list or card, **please ensure you have their permission before divulging their personal information in any fashion.** If you do not have their permission OR gaining their permission is unlikely, please (as in Matthew 6:6) pray to your Father "in secret".

## Community News

To our Queensway church family;

We wish to say a very sincere thank you for all that was done to provide a Memorial service and reception for our Ian. Pastor Carol who led the service and did a very comforting meditation, your gift of care and love will not be forgotten by our family. To the many ladies who prepared the lovely lunch and to those who served the lunch thank you. To the men's Bible study group who set up the Morrison auditorium and the youth group who took it down, thank you. To Pastor Deane for organizing the transition in the sanctuary after church to be ready for the Memorial service. Also thank you for doing the sound system and leading the hymn. Also Pastor Deane kept reassuring us everything was taken care of at the church. And it was. We feel the whole church came together to support us as we honoured our Son Ian. The sunshine basket delivered by Peggy was just that, she brought sunshine. We were truly blessed by the width and depth of support given us.

Bill and Marina Maguire
